Dear Mayor Antonovich,

Based on continued requests from residents in our community, the Crescenta Valley Town Council voted at its April 16, 2015 meeting to request your help to identify and secure funding within the next 12 months for medians along the Foothill Boulevard corridor between Biggs and Pennsylvania Avenues. We would ask the County to initiate community outreach within 30-45 days to receive feedback on design, location and overall support.

Additionally, we would recommend the medians and curb extensions have an aesthetic and pedestrian friendly improvement to Foothill Boulevard utilizing native and drought tolerant landscaping while adhering to the water conservation and mandatory restrictions as well as incorporating bio-swells and storm water bio-filtration system, as appropriate, within the medians and curb extensions.

Thank you for your continued support and please feel free to contact me if you have any questions.

Respectfully,

Robbyn Battles  
President

cc: Sussy Nemer, Field Deputy
