Dear Armenian National Committee of America Crescenta Valley Chapter,

With the escalating conflict along the border between Armenia and Azerbaijan following an attack by Azerbaijan on the Republic of Artsakh, the Crescenta Valley Town Council stands with you, the ANCA-CV, and our Armenian Community. This is a tragic moment in history and my heart is with all of the families who have been torn apart by these aggressions.

In times of unrest, it is important that we come together and support one another as a community. We want to extend our empathy and kindness to you and families who, as diasporan Armenians, feel a heightened impact from this situation, and particularly those who have family members living in the affected areas.

We are a diverse community that welcomes residents from all over the world. It is important that we embrace each other's differences and be kind to one another as we work together to build a stronger Crescenta Valley.

We want to reaffirm the Crescenta Valley Town Council's commitment to you and our Armenian Community during this difficult time. Again, we stand with you against Azerbaijan's aggression.

Respectfully,

Harry Leon, President, CV Town Council

Aram Ordubegian, Vice President, CV Town Council

Carin Hoffman, Corresponding Secretary, CV Town Council
