1. What would you like to see the Town Council accomplish?

I grew up in The Crescenta Valley, attended local schools, and have been involved in the community my entire life. I now feel very fortunate to call it home. I also run a small business here.

This is a very special community and has been built over the years by our fellow hard-working citizens. We must all continue this legacy of hard work and community spirit.

Our community faces a unique set of needs and challenges in order to maintain its excellence and continue to grow.

The Town Council serves a very important role in understanding these needs and challenges. It should advocate for the community very strongly, particularly with the County government.

By doing this, Town Council will continue the legacy of our community and continue to make it stronger and better.

2. As a new member of the Town Council, what would be your goals for the next year or what would you hope to contribute to the Town Council

As a member of Town Council, I would apply an entrepreneurial mindset and my knowledge of the community to focus on the following very important issues:

1. **STRONG PARTNERSHIP** between the community and L.A. County Fire and Sheriffs Department.
2. Positive environment for **SMALL BUSINESS**
3. **REASONABLE DEVELOPMENT** consistent with our community
