The purpose of the Town Council is to provide a forum, through a town meeting, to  
identify and discuss the issues of concern to the residents and businesses in the  
unincorporated areas of La Crescenta and Montrose (census tracts 3001, 3002, and 3005),  
and to represent those residents and businesses, the Council shall also work together  
with governmental bodies and agencies, as well as local agencies and organizations, to  
meet the needs of the community.

In a maximum of 100 words for each question, please respond to the following:

1. What would you like to see the Town Council accomplish?

I would like to see the Town Council continue to preserve the safety, beauty, and security of our town which makes it so desirable to live here in the Foothills. While doing so, I hope that the council lends a listening ear to "residents' needs, ideas, and concerns and communicates to the appropriate public agencies, City, County, and State.

2. As a new member of the Town Council, what would be your goals for the next year or what would you hope to contribute to the Town Council

We moved to La Crescenta when I started Rosemont. I was the first student to represent CVHS at the Board of Education for two years and joined many committees as a voice from LC. When my husband and I got married, we settled here and started our family. Having traveled to many places, it is always a comforting feeling to be home. I am very happy that our three children have the opportunity to experience the small-town feel LC offers. With my contribution, I hope that more generations to come will be able to experience the unique feel of our town.
