RE: Two Strike Park Pedestrian Bridge West Entrance

Dear Supervisor Barger,

We write to you in regards to the Two Strike Park Pedestrian Bridge on the West entrance to the park from Henrietta Avenue. The bridge is in need of repairs for the safety of the community and since this also serves as access to the newly constructed ADA access, the bridge should comply with ADA Standards.

We respectfully request that the County take action to ensure the pedestrian bridge adheres to health and safety concerns and is ADA compliant for our community.

Sincerely,
