The purpose of the Town Council is to provide a forum, through a town meeting, to identify and discuss the issues of concern to the residents and businesses in the unincorporated areas of La Crescenta and Montrose (census tracts 3001, 3002, and 3005), and to represent those residents and businesses, the Council shall also work together with governmental bodies and agencies, as well as local agencies and organizations, to meet the needs of the community.

In a maximum of 100 words for each question, please respond to the following:

What would you like to see the Town Council accomplish?
I am currently a regular member of the Council and I want to be re-elected see the Town Council continue to be the premiere forum for residents and businesses to have their voices heard regarding the various concerns in our community. In order to convert the concerns of residents and businesses into concrete actions by the County, I want the Town Council to better advocate for our community before the County and its various departments. During my time on the Council, various community boards and organizations, including the Chamber of Commerce and the Land Use Committee, Medians Committee, and Sagebush Committee, it has unfortunately become obvious to me that unless we "pound the table" for our concerns and needs, the County will deal with other more "squeaky wheels". The Town Council needs to remain vigilant to help beautify Foothill Boulevard and park areas to attract businesses and residents to our Main Street and to give residents opportunities to enjoy nature. Lastly, I want the Town Council to help the community remain an inclusive melting pot and to maintain all of the positive elements in our community.

2. As a new member of the Town Council, what would be your goals for the next year or what would you hope to contribute to the Town Council: I was the 2015 President of the Crescenta Valley Chamber of Commerce and a member of the Town Council's Land Use Committee. As such, I want to leverage my experience and contacts at both organizations and in the community to bridge the gaps between the businesses in our area and its residents. Furthermore, our schools are one of the gems in our community, and as a former board member of M.A.C.K.(Mountain Avenue Elementary School's foundation), Sagebush Committee and Personnel Commissioner at the GUSD, I want to make sure the Town Council is engaged with the schools to maintain their excellence.
