*1) What would you like to see the Town Council accomplish?*

I have been honored to be a member of the Town Council for 4 years. During the last year, the Town Council has done some amazing things including increased community outreach, forums addressing crime, school safety, mental health and providing students with scholarships.

I would like to see the Town Council continue to expand their community outreach, provide additional forums on crime prevention, keeping our schools safe, and be our voice to LA County concerning development issues which may directly affect our beautiful community.

*2) As a new member of the Town Council, what would your goals be for the next year or what would you hope to contribute to the Town Council?*

If re-elected my goals would be to continue to stand up against crime, work to provide safer schools, safer streets, and minimize development in La Crescenta. It is my goal to make sure your voice is heard on any projects which will affect our community. Working alongside the Town Council, I will continue to expand our outreach efforts and work with local organizations to build a better community.
