Education: Juris Doctorate

The purpose of the Town Council is to provide a forum, through a town meeting, to identify and discuss the issues of concern to the residents and businesses in the unincorporated areas of La Crescenta and Montrose (census tracts 3001, 3002, and 3005), and to represent those residents and businesses, the Council shall also work together with governmental bodies and agencies, as well as local agencies and organizations, to meet the needs of the community.

In a maximum of 100 words for each question, please respond to the following:

1. What would you like to see the Town Council accomplish?

In the past three years serving on the council, I am particularly proud of the outreach event I organized that focused on the critical issue of Fentanyl. The turnout was impressive, and residents greatly benefited from the information shared. I would like to see the Town Council continue to host more community events that address important issues and foster informed discussions.

2. As a new member of the Town Council, what would be your goals for the next year or what would you hope to contribute to the Town Council?

As a candidate for re-election to the Town Council, I want to emphasize that I am not new to this role. Over the past three years, I have demonstrated my commitment as a team player who works hard and genuinely cares for our community. If given the opportunity to serve again, I will continue to dedicate myself to the needs of our residents and contribute positively to the council's efforts. My goal is to build on our achievements and address the ongoing challenges facing our community with collaboration and dedication.
