The purpose of the Town Council is to provide a forum, through a town meeting, to identify and discuss the issues of concern to the residents and businesses in the unincorporated areas of La Crescenta and Montrose (census tracts 3001, 3002, and 3005), and to represent those residents and businesses, the Council shall also work together with governmental bodies and agencies, as well as local agencies and organizations, to meet the needs of the community.

In a maximum of 100 words for each question, please respond to the following:

1. What would you like to see the Town Council accomplish?

The Town Council is a valuable asset to unincorporated La Crescenta/Montrose. Safe routes to school & safe community ordinances are important. Now that CV High has a new stadium, it is also important that traffic & safety are a priority to the community as there is much more activity taking place in La Crescenta.

2. As a new member of the Town Council, what would be your goals for the next year or what would you hope to contribute to the Town Council

I served for six years on the CV Town Council, so I have experience and understanding of how it is run. I bring an open-minded, objective lens to issues presented to the Council. I am involved with Rockhaven and appreciate the community support & it is now under construction & would like to partner to make the best use of Rockhaven when open to the public.
Thank You!
